CELLO TECHNIQUES SERIES

ALL ABOUT MY BOW

Part One

Saturday May 30th 2020 10am to 3pm

Your bow is your voice.
It sings, dances, speaks and emotes.

Join me for an exploration of the bow – its
development and how it can be used expressively
and variously to say what you mean.

With excerpts from the cello repertoire provided
for you, we will explore different techniques.

Do come and share in this interesting and helpful day.

Students leave with information packs.

Fee: £85.

All Saints Centre, Friars Walk,
Lewes, East Sussex BN7 2LE.
